Ordering a Transcript

Instructions and Notes

A transcript is a certified copy of a student's permanent academic record. It contains confidential information and cannot be released without the student's signed, specific request. All information must be provided and the appropriate fees must be included.

All transcript requests must be accompanied by a readable copy of the student's government-issued photo identification such as a driver's license, passport or WSU ID. Requests will not be processed without this ID.

A person receiving a transcript in-person must have identification. Transcripts will only be released to the student or to an individual who has written permission from the student. Transcripts released to the student are stamped "Issued to Student." Some institutions will not accept such transcripts.

Transcripts are **withheld** for any student who owes the university money, property, or documents. Transcripts sent to WSU from high schools or other colleges cannot be duplicated. You must contact those institutions directly for transcripts.

Transcript Fees

Each transcript generated requires a \$10 fee; additional mailing services are **added** to the \$10 transcript fee; see details below.

Free Transcripts - Free transcripts will be sent by USPS First Class Mail or can be picked up at 117 Jardine Hall. These transcripts cannot be ordered through our online ordering system. There is a limit of five free transcripts in each of the below circumstances:

1. Currently enrolled undergraduate seniors sending a transcript directly to a graduate school, law school, medical school or certifying agency like AMCAS.
2. Undergraduate seniors and graduate students in their final semester who have submitted an Application for Degree - if the student waits until their degree has been posted to their academic record. Be sure to mark "hold for degree" on the transcript request form. These requests must be submitted by:
 - If you graduate in the Fall, requests must be submitted by April 15th.
 - If you graduate in the Spring, requests must be submitted by September 15th.
 - If you graduate in the Summer, requests must be submitted by November 15th.

Current enrollment for a semester/term starts the first day of classes for that semester/term, and extends until classes begin for the next semester/term.
